Mission: The goal of the Hook-O-Ree is to give all scouts the opportunity to familiarize themselves with the sport of fishing, by working closely with the Fishing Merit Badge Book, a scout can determine whether or not he would like to go further and earn the Fishing Merit Badge.

Scout sprit and teamwork should be used at all stations, as well as throughout the weekend.

Adults are required to assist scouts at the Fishing Hole Station* only, but are welcome to join them at all other stations.

*In order for scouts to participate at the Fishing Hole Station for the ½ hour assigned time, Troop Adult's must accompany Scout's from beginning to end of time slot.
